01. ETTA JAMES**How deep is the ocean***(Irving Berlin)*

How much do I love you?
I'll tell you no lie
How deep is the ocean?
How high is the sky?

How many times a day do I think of you?
How many roses are sprinkled with dew?

How far would I travel
To be where you are?
How far is the journey
From here to a star?

And if I ever lost you
How much would I cry?
How deep is the ocean?
Baby, how high is the sky?

How far would I travel
To be where you are?
How far is the journey
From here to a star?

And if I ever lost you
How much would I cry?
How deep is the ocean?
How high is the sky?

02. ELLA FITZGERALD**Imagine my frustration***(Duke Ellington, Billy Strayhorn and Gerald Wilson)*

Went down to the dance
Sat down by the wall
Invited to dance
By no one at all

The couples danced fine
So charming and gay
But nobody wants
Look over my way

I feel so sad
Dissatisfied
I hurt so bad
I almost cried
Imagine my frustration with no
Invitation to dance

Sat down by the wall
who else can I be?
But – a lover boy
who likes what he see.

And a voice said to me
wallflower, my dear,
how come, how come you can't see
you are not what --

You, you don't impress
 You're just a mess
 You're in excess
 And in a mess
 Imagine my frustration with no
 Invitation to dance

(solo)

I smiled to the crowd
 Tip toe and alert
 The band blues went loud
 But next on a flirt

A voice said to me
 wallflower, my dear,
 how come you can't see
 you are not what --

Yes, you are in a mess
 I'm in excess
 About your dress
 I must confess
 Imagine my frustration with no
 Invitation to dance

03. CARMEN MCRAE

Something to live for

(Duke Ellington, Billy Strayhorn)

I want something to live for
 Someone to make my life an adventurous dream

Oh, what wouldn't I give for
 Someone who'd take my life and make it seem
 gay as they say it ought to be

Why can't I have love like that brought to me?
 My eye is watching the noon crowds
 searching the promenade seeking a clue
 To the one who will someday be my
 Something to live for

My eye is watching the noon crowds
 searching the promenade seeking a clue
 To the one who will someday be my
 Something to live for

04. ERNESTINE ANDERSON

It don't mean a thing (if it ain't got that swing)

(Duke Ellington, Irving Mills)

Well it don't mean a thing if it ain't got that swing
Soo-be-doo-bop, soo-be-doo-bop
Soo-be-doo-bop, soo-be-doo-ah
 It don't mean a thing, all you gotta do is swing
Soo-be-doo-bop, soo-be-doo-bop
Soo-be-doo-bop, soo-be-doo-ah

If you want your rhythm, sweet or hot
 Gotta give that rhythm everything you've got

It don't mean a thing if it ain't got that swing
Soo-be-doo-bop, soo-be-doo-bop
Soo-be-doo-bop, soo-be-doo-ah

Well it don't mean a thing if it ain't got that
 Don't mean a thing, all you gotta do is swing

If you want your rhythm, sweet or hot
 Give that rhythm everything you've got

'Cause it don't mean a thing if it ain't got that swing
 Don't mean a thing if it ain't got that
 Don't mean a thing, all you gotta do is swing
 If you want your rhythm, sweet or hot
 You've gotta give that rhythm everything you've got
 'Cause it don't mean a thing if it ain't got that swing

05. DINAH WASHINGTON

You're nobody 'til somebody loves you

(Larry Stock, Russ Morgan, James Caranaugh)

You're nobody til somebody loves you
 You're nobody til somebody cares
 You may be king, you may possess the world and it's gold
 But gold won't bring you happiness when you're growing old
 The world still is the same, you never change it
 As sure as the stars shine above

You're nobody til somebody loves you
So find yourself somebody to love

The world still is the same, you never change it
As sure as the stars shine above
Well, you're nobody til somebody loves you
So you better find
You better find yourself somebody to love

06. ANITA O'DAY

You're the top (Cole Porter)

At words poetic, I'm so pathetic
That I always have found it best,
instead of getting 'em off my chest,
To let 'em rest unexpressed,
I hate parading my serenading
As I'll probably miss a bar,
But if this ditty is not so pretty
At least it'll tell you
How great you are.

You're the top!
You're the Coliseum.
You're the top!
You're the Art Museum.
You're a melody from a symphony by Strauss
You're a Bendel bonnet,
A Shakespeare's sonnet,
You're Mickey Mouse.

You're the Nile,
You're the Tower of Pisa,
You're the smile on the Mona Lisa
I'm a worthless check, a total wreck, a flop,
But if, baby, I'm the bottom you're the top!

You're the --!
You're like Sarah singing
You're the --!
You are like the Albert swinging
You're the --
You're the greatest song that I'd ever sung
You're a Moscow view
You're also cool
You're Lester Young

You're the high, and --
You're the guy, who wants Tin Pan Alley
You're --
But if, baby, I'm the bottom,
You're the top!

07. BILLIE HOLIDAY

Comes love

(Lew Brown, Sammy Stept, Charles Tobias)

Comes a rainstorm, put your rubbers on your feet
Comes a snowstorm, you can get a little heat
Comes love, nothing can be done.

Comes a fire, then you know just what to do
Blow a tire, you can buy another shoe
Comes love, nothing can be done

Don't try hiding, cause there isn't any use
You'll start sliding, when your heart turns on the juice

Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be done

Comes a heatwave, you can run into the shore
Comes a summons, you can hide behind the door
Comes love, nothing can be done

Comes the measles, you can quarantine a room
Comes a mousey, you can chase it with a broom
Comes love, nothing can be done

That's all, brother, if you ever been in love
That's all, brother, you know what I'm speaking of
Comes a nightmare, you can always stay awake
Comes depression, you may get another break
Comes love, nothing can be done

08. SARAH VAUGHAN

All of me

(Seymour Simons/Gerald Marks)

All of me
Why not take all of me
Can't you see
I'm no good without you

Take my lips
I'll never lose them
Take my arms
I'll never use them
Your goodbye left me with eyes that cry
How can I go on dear without you
You took the part that once was my heart
So why not take <all of me>

All of me
Why not take all of me
Can't you see
I'm no good without you
Take my lips
I'll never never lose them
Take my arms
I'll never use them
Your goodbye left me with eyes that cry
How can I go on dear without you
You took the part that once was my heart
So why not take all of me

09. LAURA FYGI
Almost like being in love
(Lerner & Loewe)

*This has been a great evening for me
Almost felt like I was in love*

What a night this has been
What a rare mood I'm in
Why, it's almost like being in love

There's a smile on my face
For the whole human race
Why, it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me
And from the way that I feel
When that bell starts to peal
I would swear I was falling
swear I was falling
It's almost like being in love

(instrumental)

All the music of life seems to be
Like a bell that is ringing for me
And from the way that I feel
When that bell starts to peal
I would swear I was falling
swear I was falling
It's almost like being in love

10. ETTA JAMES
Stormy weather
(Ted Koehler / Harold Arlen)

Don't know why
there's no sun up in the sky
Stormy weather
Since my man and I ain't together,
Keeps rainin' all the time

Oh yeah, life is bare, gloom and misery everywhere
Stormy weather, stormy weather
And I just can't get my poorself together,
I'm weary all the time, the time
So weary all the time

When he went away
the blues walked in and met me.
If he stays away
old rockin' chair is gonna get me.

All I do is pray the lord will let me
walk in the sun once more.
Oh, I can't go on,
everything I had is gone
Stormy weather

Since my man and I, me and my babe, ain't together,
Keeps rainin' all the time
Keeps rainin' all the time.

Stormy, stormy weather

11. STACEY KENT
It's de-lovely
(Cole Porter)

The night is young
The skies are clear
And if you want to go walking, dear
It's delightful, it's delicious, it's de-lovely

I understand the reason why
You're sentimental, 'cause so am I
It's delightful, it's delicious, it's de-lovely

You can tell at a glance
What a swell night this is for romance
You can hear dear Mother Nature murmuring low
"Let yourself go"

So please be sweet, my chickadee
And when you smile and you say to me
"It's delightful, it's delicious, it's delectable, it's delirious
It's dilemma, it's de-limit, its deluxe , it's de-lovely."

Time marches on and soon it's plain
You won my heart, and I lost my brain
It's delightful, it's delicious, it's de-lovely

Life seems so sweet, that we decide
It's in the back to get **yulefied**
It's delightful, it's delicious, it's de-lovely

See the crowd in that church
See the proud parson plot on his perch
Get the sweet tunes of the organ ceiling are doomed
Here goes the groom, boom!

How they cheer, and how they smile
As we go galloping down the aisle
"It's delightful, it's delicious, it's delectable, it's delirious
It's dilemma, it's de-limit, its deluxe , it's de-lovely."

12. ELLA FITZGERALD

Satin Doll

(Duke Ellington)

Cigarette holder which wigs me
over her shoulder, she digs me.
Out cATTin' my satin doll.
Baby, shall we go out steppin?
Careful, amigo, you're flippin',
speaks Latin my satin doll.

She's nobody's fool and I'm playing it cool as can be.
I'll give it a whirl but I ain't for no boy catching me,
swich-e-rooney.

Telephone numbers well you know,
I'm doing my rhumbas with uno
and that'n my satin doll.

13. CARMEN MCRAE

T'ain't nobody's bizness if I do

(Porter Grainger / Everett Robbins)

[Spoken intro]
You know, mm, I have...
When I'm making up the show
I might get the first four tunes
Just like that, and then
I will get to the fifth song and I say:
Oh shit what can I put it in
If I can't get, find something I always say
Well, I can't loose if I sing the blues

If I should take a notion
To go and jump into the ocean
'T ain't nobody's bizness if I do

And if I choose to go to church on Sunday
And then I feel like -- all day Monday
No, t'ain't nobody's bizness if I do

And if I, if my man
If he ain't got no money... which is usually the case
And I want to say to him: come on and take all mine honey!
Ooo, 't ain't nobody's bizness if I do... I say if I do

And if I'd rather
For my man would hit me
Instead of jumping up and quit me
Baby, 't ain't nobody's bizness, nobody's bizness if I do

("trumpet" solo)

Now if I swear I won't call no copper
If I should get beat up by my papa
I say, 't ain't nobody's bizness
You better believe that 't ain't nobody's bizness
I said 't ain't nobody's bizness what I do

14. DINAH WASHINGTON

Please send me someone to love

(Percy Mayfield)

Heaven please send to all mankind
 understanding and peace of mind
 If it's not asking too much
 please send me someone to love, someone to love

Show the world how to get along
 Peace will enter when hate is gone
 If it's not asking too much
 Please send me someone to love

I lay awake and count the world's troubles
 and my answer is always the same
 Unless man put an end to this destructable sin
 Hate is gonna put the world in a flame

Just because I'm, I'm in misery
 Oh I don't beg for no sympathy
 But if it's not asking too much
 Please send me someone to love

I lay awake and count the world's troubles
 and my answer is always the same
 Unless man put an end to this damnable sin
 Hate is gonna put the world in a flame, a shame

Just because I am in misery
 Oh I don't beg for no sympathy
 But if it's not asking too much
 I say please send me someone to love
 I say if it ain't asking, if it ain't asking
 Lord if it ain't asking too much
 Please send me someone to love

15. SARAH VAUGHAN

Over the Rainbow

(E. Yip Harburg / Harold Arlen)

Somewhere, over the rainbow
 Way up high
 There's a land that I heard of
 Once in a lullabye

Somewhere, over the rainbow
 Skies are blue
 And the dreams that you dare to dream
 Really do come true

Some day I'll wish upon a star
 and wake up where the clouds are far behind me
 Where troubles melt like lemondrops
 away above the chimney tops
 That's where you'll find me

Somewhere, over the rainbow
 Bluebirds fly

Birds fly over the rainbow
 Why then, oh why can't I?

Some day I'll wish upon a star
 And wake up where the clouds are far behind me
 Where troubles melt like lemondrops
 Away above the chimney tops
 That's where you'll find me

Somewhere, over the rainbow
 Bluebirds fly
 Birds fly over the rainbow
 Why then, oh why can't I?

16. PATTI AUSTIN

How high the Moon

Somewhere there's music
 How faint the tune
 Somewhere there's heaven
 How high the moon
 There is no moon above
 When love is far away too
 Till it comes true
 That you love me as I love you

Somewhere there's heaven
 It's where you are
 Somewhere there's music
 How near, how far

The darkest night would shine
 If you would come to me soon
 Until you will, how still my heart
 How high the moon

Somewhere there's music
 It's where you are
 Somewhere there's heaven
 How near, how far
 The darkest night would shine
 If you would come to me too
 Till it comes true
 That you love me as I love you

Somewhere there's heaven
 It's where you are
 Somewhere there's music
 How near, how far

The darkest night would shine
 If you would come to me soon
 Until you will, how still my heart
 How high the moon

(scat)

17. STACEY KENT**A fine romance***(Dorothy Fields/Jerome Kern)*

A fine romance, with no kisses
 A fine romance, my friend this is
 We should be like a couple of hot tomatoes
 But you're as cold as yesterday's mashed potatoes

A fine romance, you won't nestle
 A fine romance, you won't wrestle

I might as well play bridge
 With my old maid aunt
 I haven't got a chance
 This is a fine romance

A fine romance, my good fellow
 You take romance, I'll take jello
 You're calmer than the seals
 In the Arctic Ocean
 At least they flap their fins
 To express emotion

A fine romance with no quarrels
 With no insults and all morals
 I've never mussed the crease
 In your blue serge pants
 I never get the chance
 This is a fine romance

18. BILLIE HOLIDAY**They can't take that away from me***(George and Ira Gershwin)*

The way you wear your hat
 The way you sip your tea
 The memory of all that
 No, no they can't take that away from me

The way your smile just beams
 The way you sing off key
 The way you haunt my dreams
 No, no they can't take that away from me

We may never, never meet again
 On the bumpy road to love
 Still I'll always, always keep the memory of
 The way you hold your knife
 The way we danced till three
 The way you changed my life
 No, no they can't take that away from me

[Repeat]

19. JANE MONHEIT**Cheek to cheek***(Irving Berlin)*

Heaven, I'm in heaven
 And my heart beats so that I can hardly speak
 And I seem to find the happiness I seek
 When we're out together dancing cheek to cheek

Heaven, I'm in heaven
 And the cares that hung around me through the week
 Seem to vanish like a gambler's lucky streak
 When we're out together dancing cheek to cheek

Oh I love to climb a mountain
 And to reach the highest peak
 But it wouldn't thrill me half as much
 As dancing cheek to cheek

Oh I love to go out fishing
 In a river or a creek
 But it wouldn't thrill me half as much
 As dancing cheek to cheek

Dance with me, I want my arms about you
 The charm about you
 Will carry me through
 To heaven, I'm in heaven
 And my heart beats so that I can hardly speak
 And I seem to find the happiness I seek
 When we're out together dancing cheek to cheek

[Repeat]

20. NINA SIMONE**Tell me more and more (and then some)**

I want more, more and then some
 You know what I wanna hear
 I want some more and then some
 Of that "I Love You Only Dear"

I want some more and then some
 Of how you feel and then
 when you don't told me 'bout and meantimes
 How much you love me
 And you're through, start right in again

I've made the same mistake
 I know the awful ache
 Of a little heart that's been double crossed
 The waiting's been so long, so long
 It's hard to be believ'in
 I thought I've missed my guess,
 I thought happiness from me was lost

I want more, some more, some more and then some
 You know how I love that stuff
 Whisper from now on 'til Doomsday
 But I never, no, I never
 No I never will hear enough

21. SARAH VAUGHAN

I cried for you

(Arthur Freed / Gus Arnheim / Abe Lyman)

I cried for you
 your turn to cry over me
 Every road has a turning
 That's one thing you're learning

I cried for you
 What a fool I used to be
 Found two eyes a little bit bluer
 Found two arms a little bit truer
 I cried for you
 Now it's your turn to cry over me

Cry for you, almost die for you
 your time to cry over me
 Every road has a turning
 That's one thing you're learning

I cried for you
 What a fool I used to be
 Found two eyes a little bit bluer
 Found two arms a little bit truer
 I cried for you
 Now it's your turn to cry over me

22. EVA CASSIDY

God bless the child

Them that's got shall get
 Them that's not shall lose
 So the Bible said and it still is news
 Mama may have, Papa may have
 But God bless the child who's got his own
 Who's got his own

Yes, the strong gets more
 While the weak ones fade
 Empty pockets don't ever make the grade
 Mama may have, Papa may have
 But God bless the child who's got his own
 Who's got his own

Money, you've got lots of friends
 Hanging round your door
 Then it's gone, and the money ends
 They don't come along no more
 Rich relations give
 Crust of bread and such
 You can help yourself baby
 Oh don't you take too much
 Mama may have, Papa may have
 But God bless the child who's got his own
 Who's got his own

Money, you've got lots of friends
 Hanging round your door
 Then it's gone, and the money ends
 They don't come along no more
 Rich relations give
 Crust of bread and such
 You can help yourself baby
 Oh don't you take too much
 Mama may have, Papa may have
 But God bless the child who's got his own

23. DIANA KRALL

'S wonderful

'S wonderful! 'S marvelous!
 That you should care for me!
 'S awful nice! 'S paradise!
 'S what I love to see!

You've made my life so glamorous
 You can't blame me for feeling amorous
 Oh! 'S wonderful! 'S marvelous!
 That you should care for me!

'S wonderful! 'S fabulous!
 That you should care for me!
 'S awful nice! 'S paradise!
 'S what I love to see!

My dear, it's four-leaf clover time
 From now on my heart's working overtime
 Oh! 'S wonderful! 'S marvelous!
 That you should care for me

(solo)

'S wonderful! 'S marvelous!
 That you should care for me!
 'S awful nice! 'S paradise!
 'S what I love to see!

You've made my life so glamorous
 You can't blame me for feeling amorous
 Oh! 'S wonderful! 'S marvelous!
 That you should care for me!

It's very clear
 Our love is here to stay;
 Not for a year
 But ever and a day.
 The radio and the telephone
 and the movies that we know
 May just be passing fancies,
 And in time may go.

But, oh my dear,
 Our love is here to stay;
 Together we're going a long, long way.
 In time the rockies may crumble,
 Gibraltar may tumble,
 They're only made of clay,
 But our love is here to stay.

[Repeat]

24. ETTA JAMES

At last

At last
 my love has come along
 my lonely days are over
 and life is like a song

At last
 the skies above are blue
 my heart was wrapped up in clover
 the night I looked at you

I found a dream that I could speak to
 a dream that I can call my own
 I found a thrill to press my cheek to
 a thrill that I have never known

Oh yeah, you smile, you smile
 oh and then the spell was cast
 and here we are in heaven
 for you are mine at last

25. BILLIE HOLIDAY

Love is here to stay

(George and Ira Gershwin)

26. ELLA FITZGERALD

That old black magic

(Harold Arlen)

Black magic called love (x3)
 That old black magic has got me in its spell
 That old black magic that you weave so well
 Those icy fingers up and down my spine
 The same old witchcraft when your eyes meet mine

The same old tingle that I feel inside
 And when that elevator starts its ride
 Down and down and down I go, round and round I go
 Like a leaf that's caught in the tide

I should stay away but what can I do
 I hear your name, and I'm aflame
 Aflame with such a burning desire
 That only your kiss can put out the fire

You are the lover I have waited for
 The mate that Fate had me created for
 And every time your lips meet mine
 Darling down and down I go, round and round I go
 In a spin, I'm loving the spin I'm in
 I'm under that old black magic called love

I should stay away but what can I do

I hear your name, and I'm aflame
Aflame with such a burning desire
That only your kiss can put out the fire

You are the lover I have waited for
The mate that Fate had me created for
And every time your lips meet mine
Darling down and down I go, round and round I go
In a spin, I'm loving the spin I'm in
I'm under that old black magic called love
